Valued Customer:

Enjoying fine and rare wine is one of life's greatest pleasures. As the global demand for fine and rare wine grows and prices increase, so does the necessity of having a trusted source.

Founded in 1980 in San Francisco, at Fine Wines International (FWI) we ensure that our clients receive only the best fine and rare wine with known provenance.

Utilizing our global network of long standing relationships in the wine community, we carefully procure the best bottles. We inspect and verify every bottle and offer only those that meet our rigid inspection criteria.

Once the wines are received we take great pride in maintaining them in temperature and humidity controlled containers at all times.

When contacting Fine Wines International you will receive personalized attention from professionals who are passionate about the wines we offer.

Many of our clients purchase wines for long-term investment and we are happy to pass along our experience in this area. For those cellars, we can assist you in the evaluation of your current inventory and with your current wine needs.

We hope that you will experience the same joy and excitement we do with the great wines of the world.

All stocks are subject to confirmation. Current inventory is listed on our website.
